

Colin and Coco's Deliberate Practice

Year 1 Unit 16

Measurement: Mass and Capacity

Contents

Due to the nature of this unit, it is important children have plenty of practical experience with measuring mass and capacity.

The table below indicates the manageable steps within the unit

Compare mass of objects, heavier /lighter than
Order objects by mass
Measure the mass of objects using non-standard units
Measure the mass of objects using standard units
Compare capacity of containers
Order capacities
Measure capacities using non-standard units
Measure capacities using standard units

Ideas to investigate ...

Blue things are heavier than red things

Soft things are lighter than hard things

Spheres are heavier than cubes

Jugs hold more than mugs

Bottles hold less than buckets

10 spoonfuls equal one cup

.....

Encourage the children to make their own statements and test them.
