

Music at Home

Year 3

Have a go at these ukulele activities whilst you are at home! Please bring them back to school with you and show me!

Enjoy!

Mrs Mason 😊

*Find out all about the history of the ukulele and the country that it originates from. Can you make a colourful information poster or leaflet with all of the facts you've discovered on?

*Watch this fantastic piece of ukulele music played by Jake Shimabukuro. Do you like it? Is he strumming or plucking the strings?

<https://www.youtube.com/watch?v=PB3RbO7updc>

*Can you think of some silly sentences to help remember the names of the ukulele strings? We've learned

G oats

C an

E at

A nything,

but I'm sure you can think of a better sentence...! Design a poster to help teach the rest of the class your idea! Make it bright, eye catching and clear.

*Print out the next three pages and have a go at labelling the parts of the ukulele, finding the names of the parts of the ukulele in the wordsearch and colouring a Hawaiian picture!

*I think you will really enjoy having a look at these video clips on youtube. Ollie Tunner makes music using body percussion and will be doing a live workshop every day at 11am on his youtube channel. Don't worry if you miss it, as the videos will all be on his youtube channel to watch at any time. Have a go at following his rhythms and creating your own! I'd love to see what you've been practising at home! <https://www.youtube.com/user/OllieTunner>

'Body Beats'
Body Percussion online sessions

Delivered by Ollie Tunmer
(former STOMP cast member and qualified teacher)

Daily Monday - Friday 11am GMT

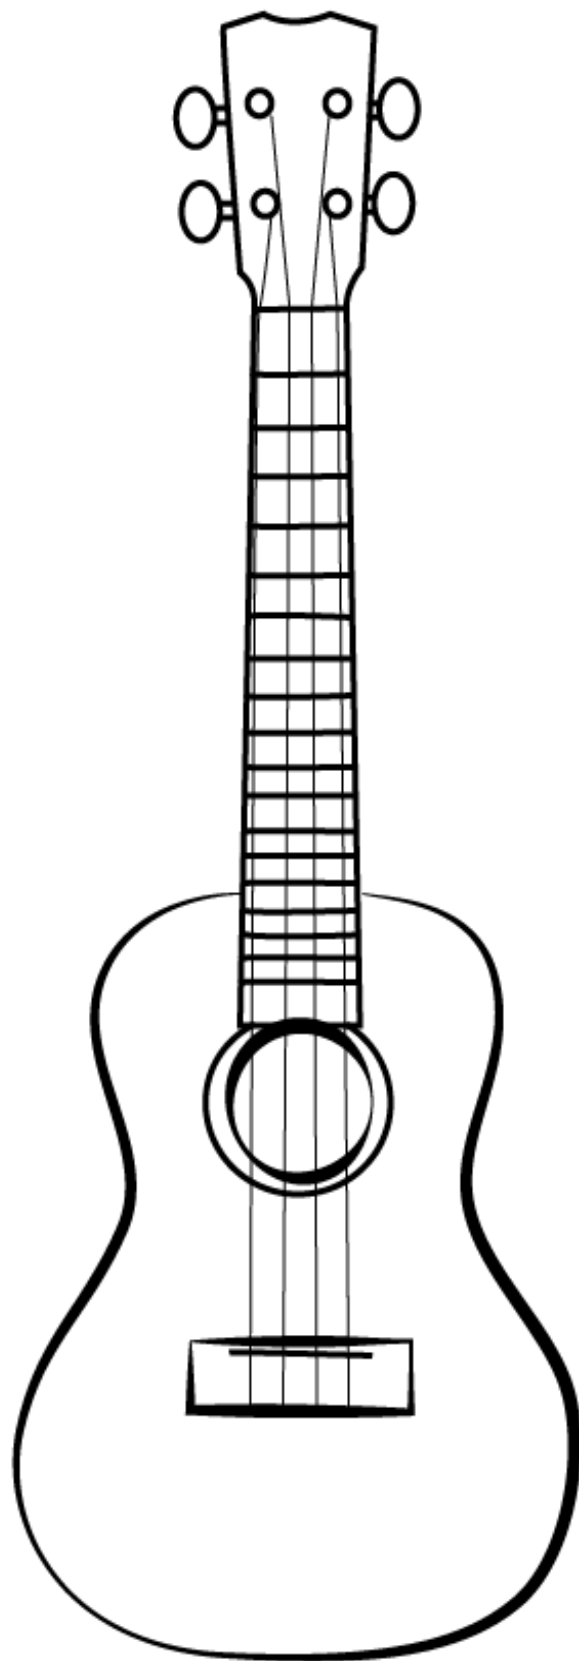

<https://www.youtube.com/user/OllieTunmer>

<https://www.facebook.com/beatgoesonUK>

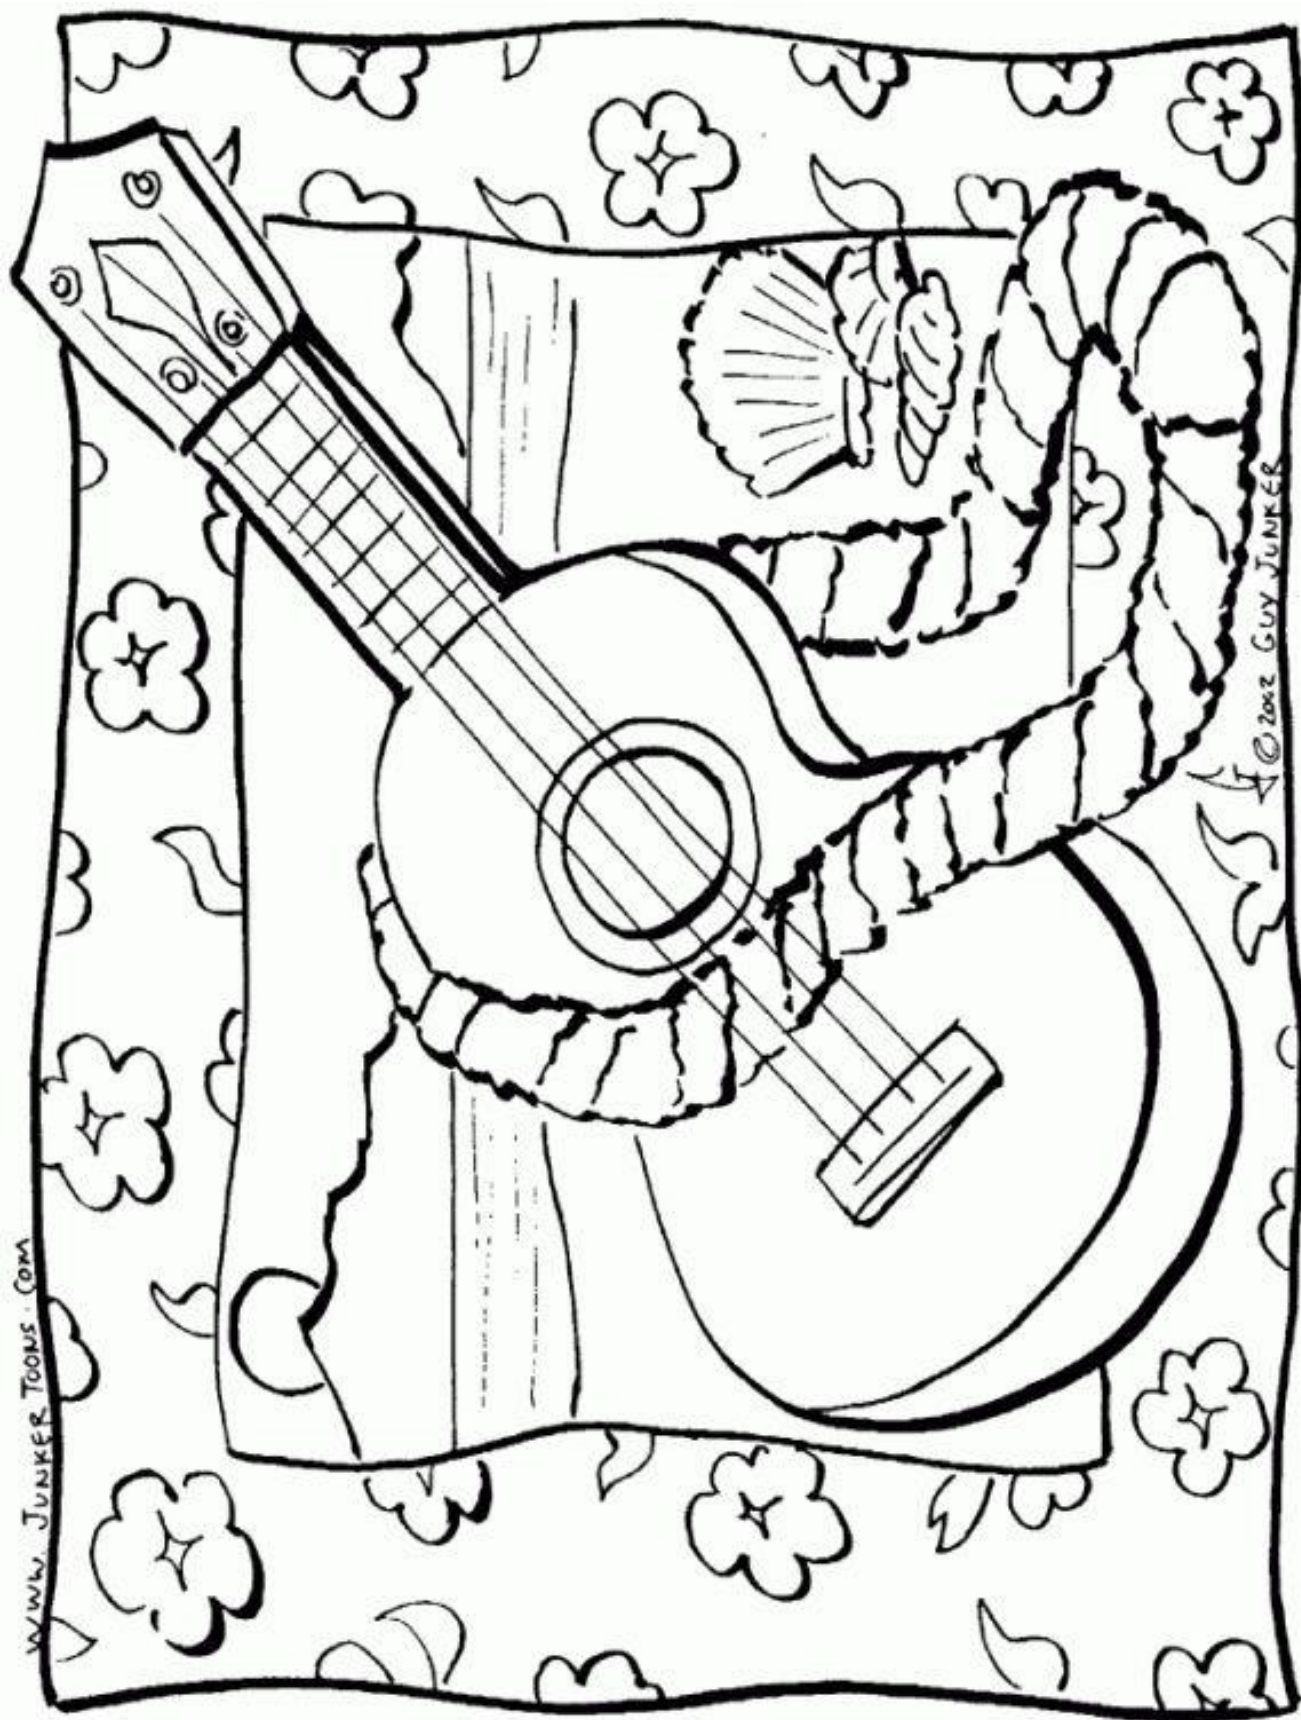

- Fun, active rhythm-based warm-ups
- Ideas inspired by STOMP
- Afro-Brazilian rhythms
- Ideas for developing composition and performance skills

*Can you label the parts of the ukulele on this diagram?
